Dear Will Travis,

The League of Women Voters of the Bay Area wishes to express our sincere appreciation for the quality and focus of the work you have done at the helm of the Bay Conservation and Development Commission. Your ability to help people understand your vision for the future of San Francisco Bay is remarkable.

You have captivated audiences at several League events over your years as Executive Director, and each presentation has offered thought-provoking ideas. Although not all of your visions are positive, that is what makes you so believable. Global warming, bay level rising, and invasive species are just a few of the hard issues you have allowed your staff to tackle, and they have followed your lead.

Thank you for your service, and congratulations on your retirement from BCDC.

We are delighted to hear that you may be serving in other regional capacities in the future.

Sincerely,

Marion Taylor
President
